SWALE CVS

Swale VCS Training arranges and runs short courses (accredited and non-accredited).

Our aim is to provide affordable and relevant training at local venues within the Swale area.

The courses and forms are now available on-line, thereby streamlining the booking process.

This leaflet provides information about the courses running between September and December, and will be updated in December.

The Service is in partnership with North Kent CVSs and is funded by the National Lottery Big Lottery Fund.

If you have a training need, we would be pleased to hear from you .
